## Inter-Art

Inter-Art Interiors has been designing throughout Southern Ontario for over 20 years. People from all over Ontario make our retail showroom a regular stop in their travels. We have taken great care in sourcing and developing a truly unique and well-designed collection of upholstery seating, occasional tables, lighting, artwork, sculpture, accessories, and entertaining pieces.

Inter-art's experienced staff is committed to design excellence – whether you are looking for custom furniture or draperies to complete concepts – from blueprints through renovation of kitchen & baths.

Cori Chinnick is a graduate of the Interior Design-3YR Program at Georgian College, and has worked as a Designer at Inter-art for over 4 years.
