## Advantage Staging

Advantage Staging is a registered, insured Home Staging company owned and operated by Michelle Fynamore, Certified Staging Professional and Live Green, Live Smart Certified Trainer.

Michelle's work has been featured on HGTV and Fox Network as well as being a feature speaker on Diva in the House Radio and CBC Radio 1.

Attention to detail with simple and effective Staging solutions sets Michelle's work at the top of her field. Her blog regarding "Staging Success Stories" has fans from across North America.

Being a Live Green, Live Smart Certified Trainer enables Michelle to market your home in a green way to have the competitive edge in the market place. Her belief is that if each person takes one small individual action to make their property green and sustainable, the accumulated result will create a larger social benefit to the environment overall while marketing your property at the same time.
